

## RESTORATION ART AUCTION CALL FOR ARTISTS

### EVENT

Art Auction and Reception  
The District (4521 W Empire Pl)

### OVERVIEW

Habitat for Humanity of Greater Sioux Falls invites local artists to participate in the sixth annual ReStorAtion Art Auction. Artists shop the Habitat ReStore to select items at no charge to repurpose into works of art. The pieces will be sold at a public reception and silent auction. All proceeds will benefit Habitat for Humanity of Greater Sioux Falls. Pieces not sold at auction become the property of Habitat for Humanity of Greater Sioux Falls.

### RESTORE

The Habitat Sioux Falls ReStore sells new and gently used home building and home goods at a fraction of retail. The items are donated by individuals, contractors and businesses. One hundred percent of ReStore proceeds support Habitat's mission to build strength, stability and self-reliance through shelter in our community. The ReStore is open 9a-6p Monday through Friday and 9a-3p on Saturday.

### ARTIST ELIGIBILITY

The event is open to artists / makers / carpenters who design and produce a work of art including one (or more) ReStore item(s). There is no fee to submit work(s). The ReStore item(s) are available at no charge to artists, with a \$100 limit. Not all of your materials need to come from the ReStore.

Bring it to Niki at the Habitat ReStore at 721 E Amidon St, Sioux Falls.
